SHUA

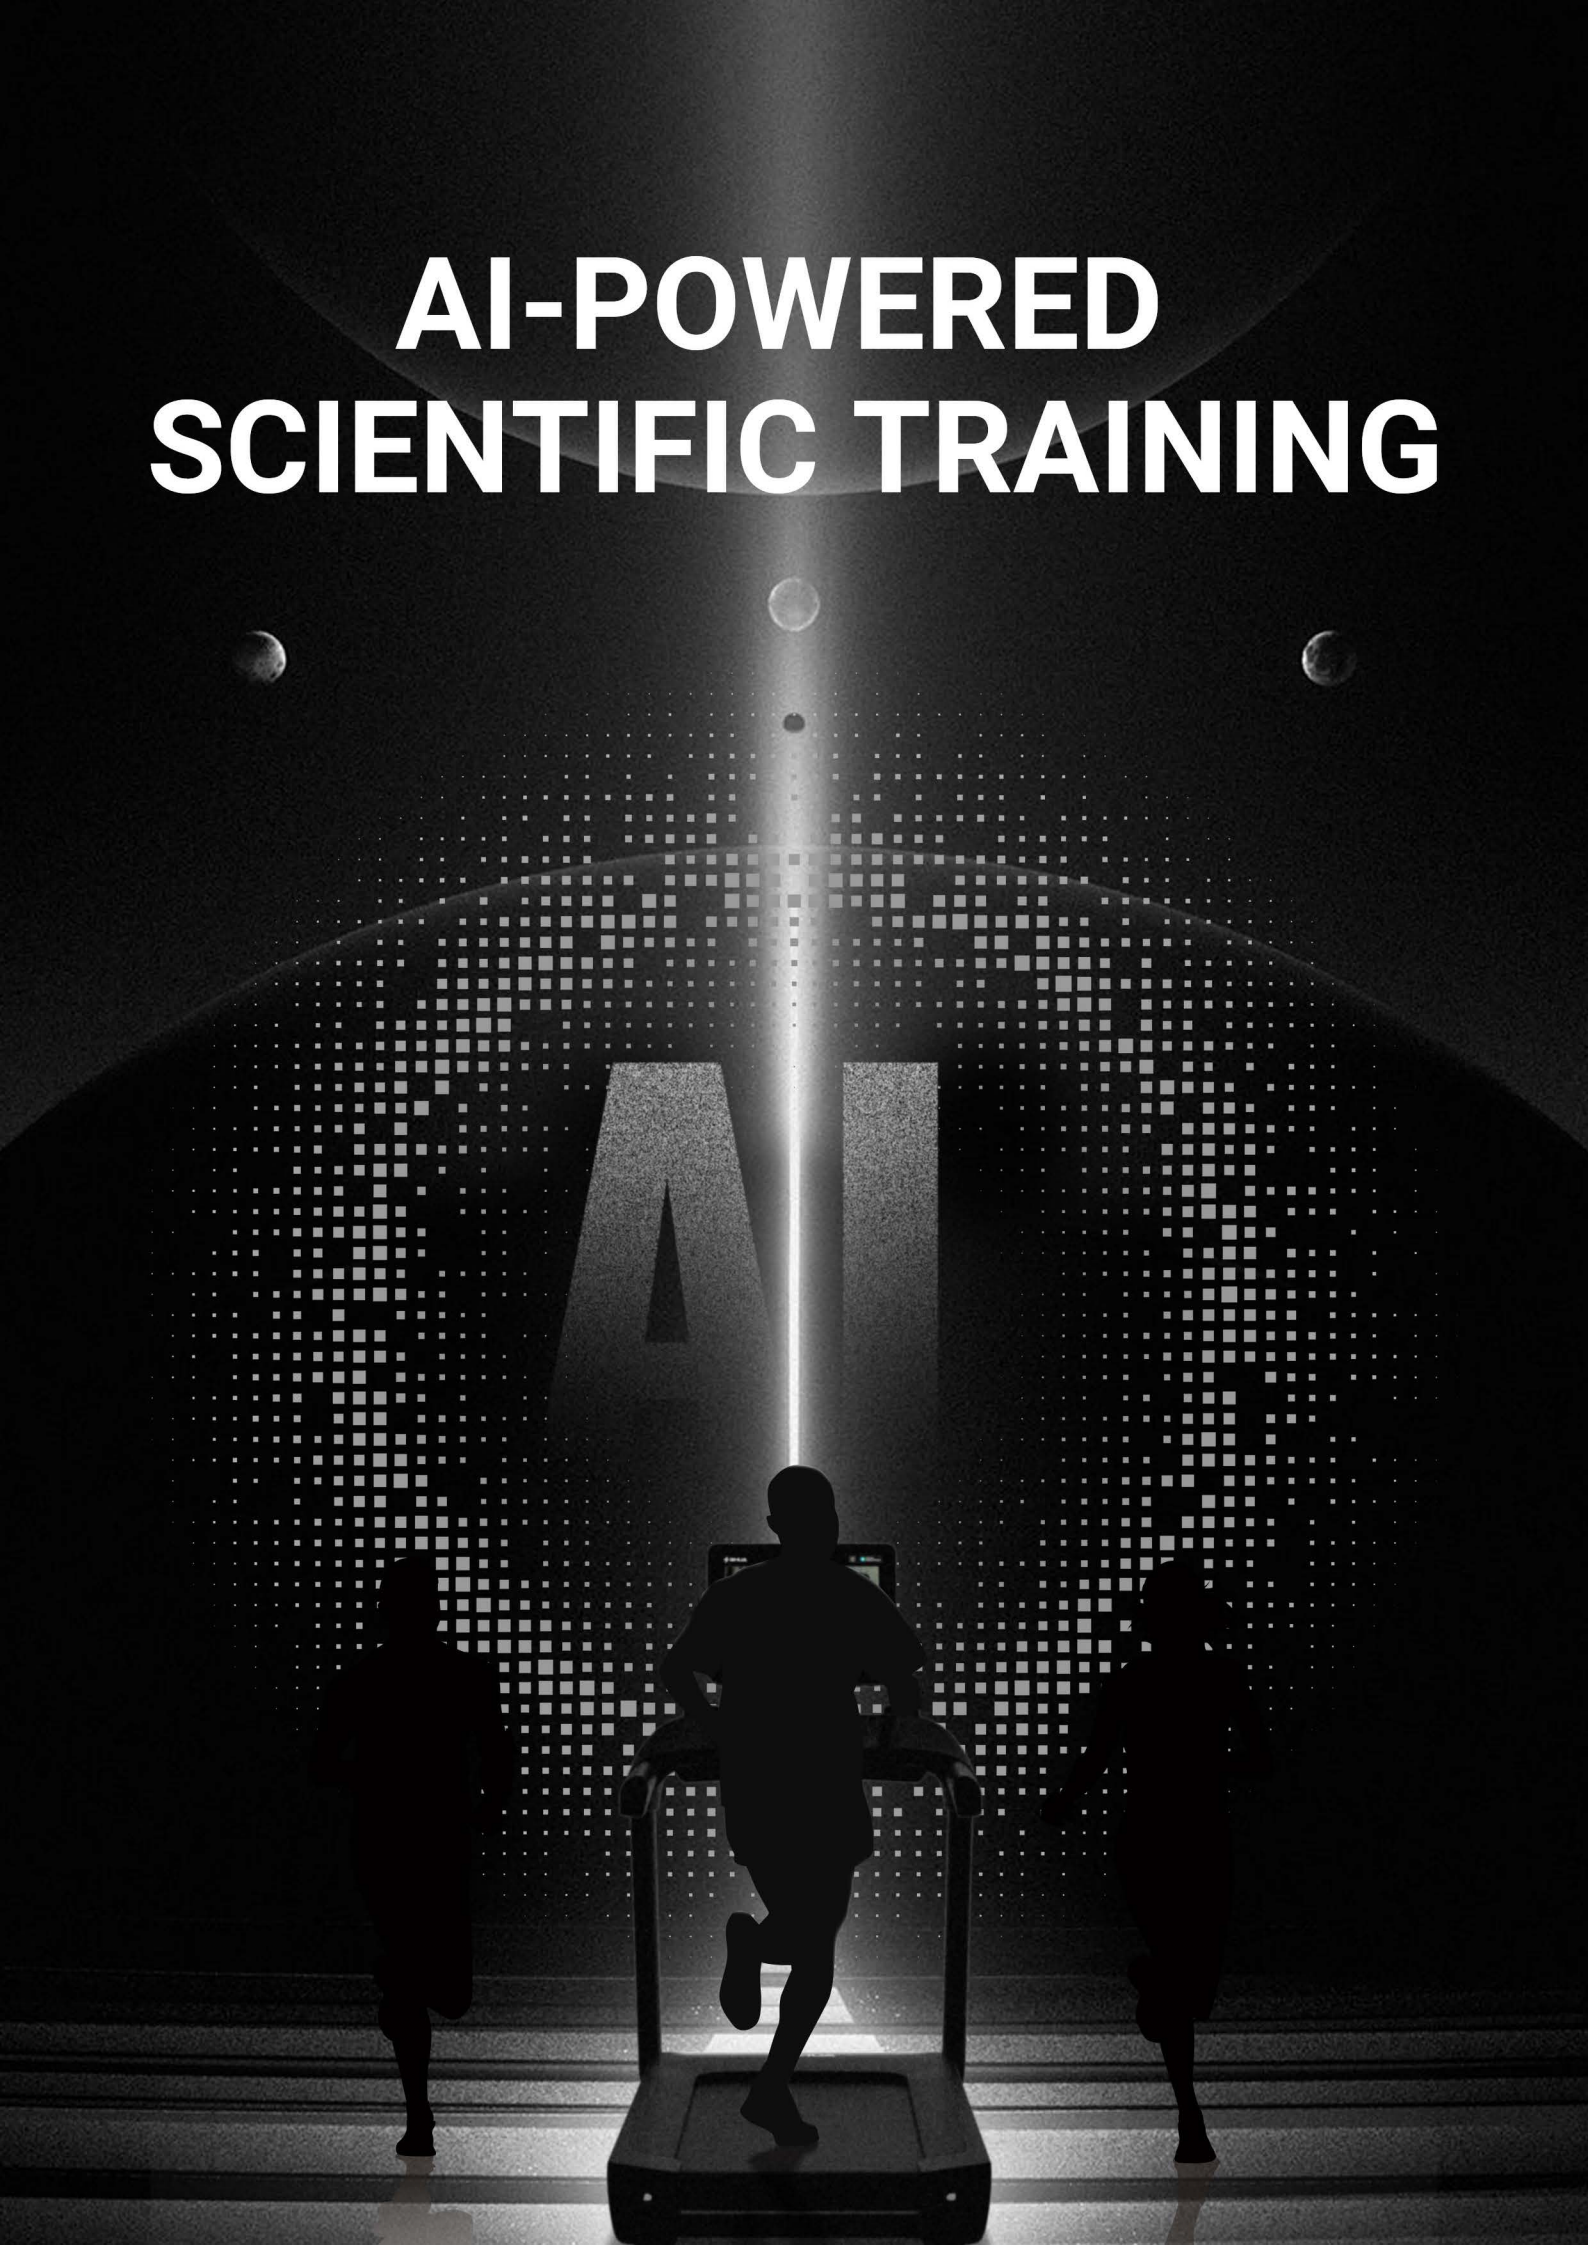

S2 SERIES TREADMILL

SH-T9100TP / SH-T9100T / SH-T9100

Personalized cushioning, real-time feedback, and immersive workouts in one intelligent treadmill.

AI-POWERED SCIENTIFIC TRAINING

AIC Intelligent Control System Millisecond-Level Cushioning Adjustment

SHUA's proprietary AIC (Air Intelligent Control) system monitors deck pressure in milliseconds, enabling seamless transition between cushioning levels in under 10 seconds. It intelligently adjusts the running surface based on detected terrain or workout scenario.

FlexAir Adaptive Deck System
Personalized Running Experience

FlexAir adaptive deck allows users to switch between four preset cushioning modes or create a personalized deck feel—balancing impact absorption with muscle engagement.

Next-Gen UI - Faster, Smarter, Easier

Newly designed UI delivers a modern, user-friendly experience with smooth interaction and scalable architecture. Supports regular OTA updates for long-term feature enhancement.

Commercial-Grade High-Performance Hardware

F-Class High-Power Motor
Long-Lasting Performance

Siemens V20 Controller
Engineered for Reliability

MDF Dual-Sided Deck
Maximum Durability, Superior Cushioning

Seamless Connectivity with Treadmill
Track Every Step with Precision

Wireless Charging Feature
No Cables, No Hassle

Integrated 15W wireless charging pad for convenient charging of personal devices during workouts.

Fast Controls & Smart Heart Monitoring Stay in the Zone Safely

Thumb-operated quick levers for incline and speed, combined with precision handrail heart rate sensors for real-time feedback.

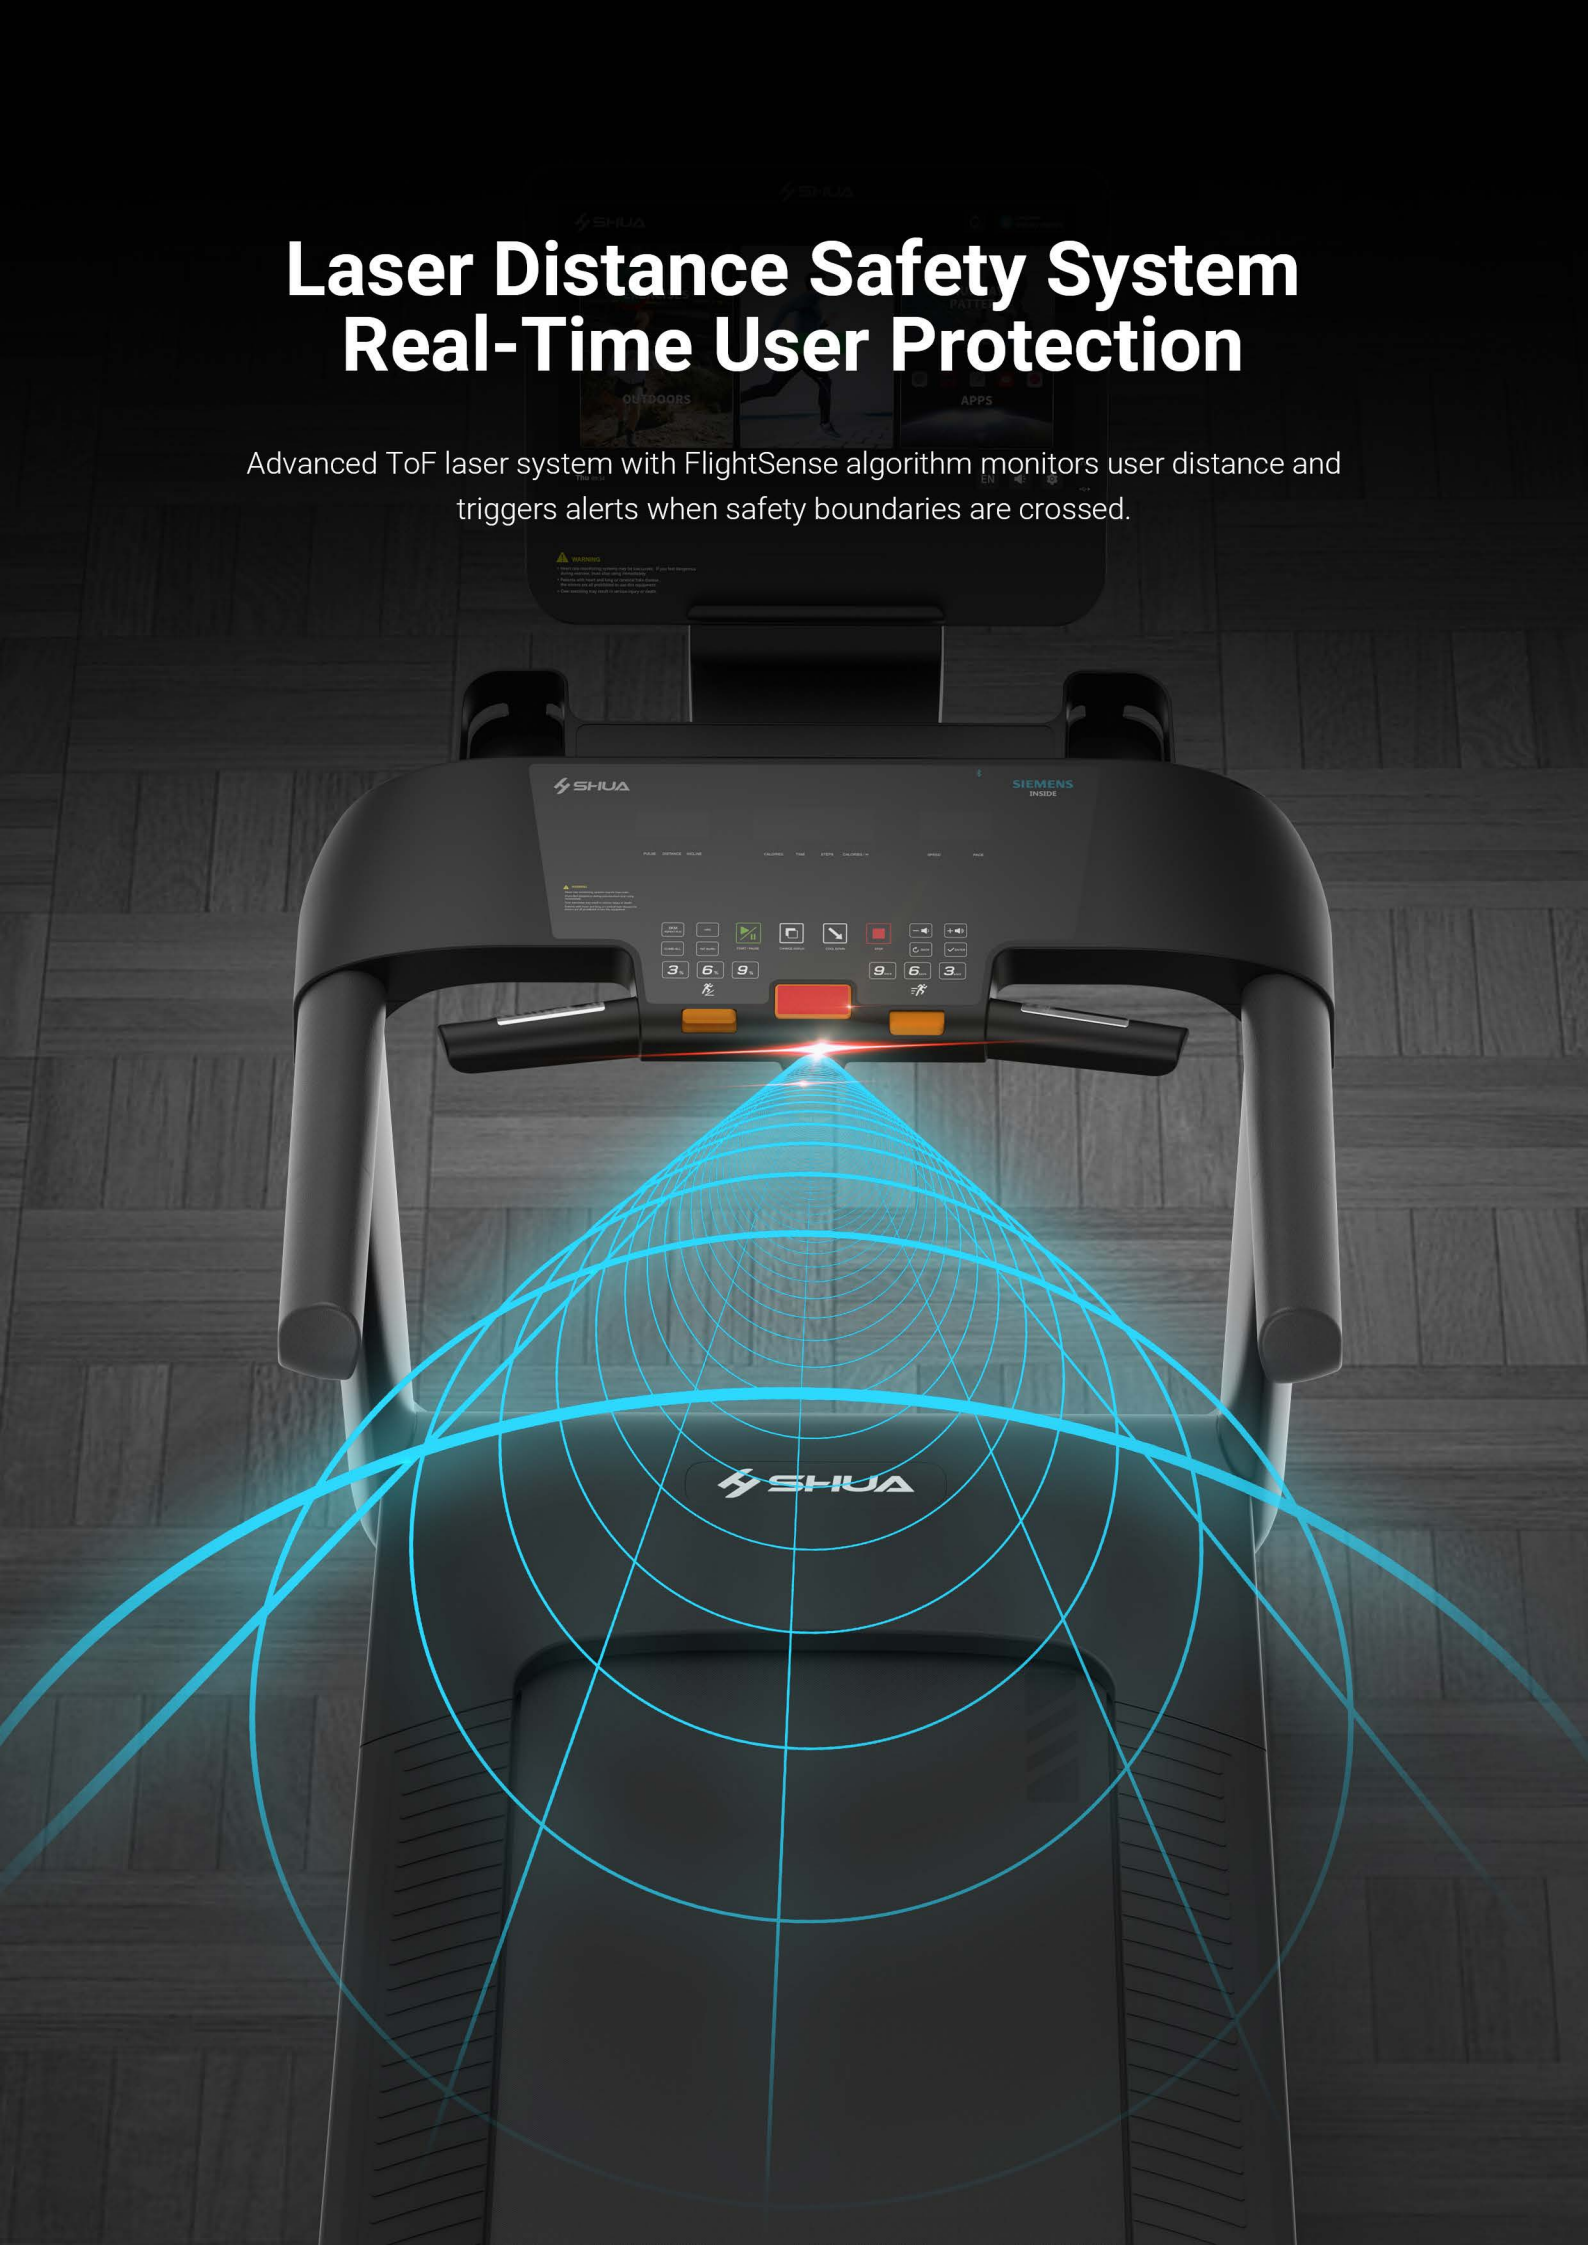

· Quick-Adjust Speed & Incline

· Heart Rate Handrails

Laser Distance Safety System
Real-Time User Protection

Advanced ToF laser system with FlightSense algorithm monitors user distance and triggers alerts when safety boundaries are crossed.

Roll-In Prevention System
Enhanced Workout Protection

Anti-entrapment safety bar prevents items or body parts from being pulled into the running deck.

Exquisite Craftsmanship Exceptional Quality

Every product reflects our dedication to exceptional craftsmanship. We source the finest materials globally, combining advanced technology with skilled artistry to ensure flawless quality. Each step, from design to production, is carefully controlled, with rigorous testing to meet the highest standards. Our focus on precision and durability ensures that our products deliver outstanding performance and a superior user experience.
